Summary

Full stack developer based in Hamburg with ~6 years of experience building scalable EU VAT compliance platforms and responsive localized web products. Expert in React, TypeScript, Node.js, and AWS infrastructure. Seeking a Senior Full-Stack Engineer role within an agile engineering team.

Experience

Taxdoo GmbH: Hamburg, DE, Sept 2020 - April 2026 –- Software Engineer

- Maintained and scaled a multi-country EU VAT compliance platform processing transactions for 3,000+ active merchants
- Led architectural migration of a legacy PHP monolith to React/TypeScript and AWS CDK, cutting page load times by 50% and elevating test coverage by 80% using Jest/Cypress
- Engineered and maintained an internal Chakra UI component library, achieving 100% engineering adoption and design consistency
- Architected a full-stack form system automating multi-country tax registration PDFs, reducing manual client onboarding time by 90% for supported countries

Lokalportal GmbH: Hamburg, DE, Aug 2019 - July 2020 –- Frontend Web Developer

- Developed mobile-first React features for a localized social network, enhancing responsive performance and cross-device user experience.
- Architected and executed end-to-end test suites using Jest and Cypress, reducing regression bugs and accelerating deployment pipelines.
- Collaborated closely within a cross-functional Agile/Scrum team, participating in sprint planning and code reviews to maintain high codebase standards.

Skills

- **Core:** React, TypeScript, Node.js, AWS (CDK, Lambda, EC2, RDS, CloudFront, Cognito, CloudWatch)
- **Also used:** MySQL, Java, PHP, Next.js, Python, Go, Chakra UI, Material UI
- **Testing:** Jest, Cypress
- **Practices**: Agile/Scrum, CI/CD, AI-assisted development

Languages

- English (Native)
- German (B2)

Education

- **Lawrence University:** Appleton, WI, USA –- *Bachelor of Arts (Anthropology/Film Studies),* 2004 - 2010
- **University of Central Florida Boot Camp:** Orlando, FL, USA –- MERN stack coding program, Oct. 2018 - Feb. 2019

Interests

- Playing disc golf (Stadtpark course especially)
- Playing guitar, piano and singing
- Bundesliga baseball (supporter of the Hamburg Stealers)
